

Serviced Office Space UK

Belfast BT2 8FE

This workspace is a stone's throw from Belfast City Hall. This space is in the City Centre's Heart, ideally in Belfast. The centres nearby are the City Council, other local and national governments and Invest NI. Many local cafes and restaurants scatter the nearby streets, while several hotels are within walking distance of the building. Transport links are good, with Great Victoria Street Railway Station within walking distance and several bus services serving the local area. Commuting to work is also easy.

The building dates back to 1903. This prominent redbrick building retains many of the original decorative facade detailing. The building has been extensively refurbished and boasts a high specification throughout. Each floor contains its communal kitchen area and toilet facilities. Professional reception services are available to all clients. Serviced office pricing is for an all-inclusive, turnkey solution that includes all utilities and services. There is also a multitude of local car parks, including NCP. There are no surprises; everything is built-in except outgoing calls and mail. This ultra-modern business centre has amenities that are affordable and meaningful.
