

Serviced Office Space UK

Letchworth SG6 1UG

The space is located close to Letchworth Town Centre, the train station and the A1M motorway. Letchworth is a small town with lots of restaurants, cafes and shops so your time out of the office is bound to be enjoyable. There are train services that get you to Kings Cross London within 30 minutes and the centre is located close to Junction 9 and 10 on the A1M motorway. The business park is modern and located in a commercial area of Letchworth, making this a great location to build your business.

Modern newly fitted building in nice business park with ground floor storage and 1st floor office space. There is desk space available in an open planned light modern office occupied by friendly professional small businesses and individuals. The space includes internet, electricity and use of the kitchen/dining room. There are also areas that can be modified for more specific needs. Terms are flexible and parking is included, which is a great benefit to those commuting by car. Air conditioning makes for a comfortable working environment, and the open plan nature of the space helps with the bright and airy feel.
