

# Serviced Office Space UK

## Brighton Junction

### Brighton BN1 4GQ

Situated at the base of a suburban eco village, this centre is conveniently located just north of the Brighton's main railway station and a stone's throw from the London Road, so this is not far from public transport links. The station links the town by rail with London. The area is currently being regenerated and there is many trendy, upcoming places to eat and shop nearby. Brighton is awash with amenities and attractions including the stunning Royal Pavilion, the famous Pier and the British Airways i360.

This centre provides bright and modern Workspace to charities, third sector organisations and start-ups. This centre offers fully-serviced private and open plan office space, in addition to single desk space packages that come fully furnished. This offer flexible lease terms and all-inclusive, transparent pricing, in an environment which encourages opportunities for collaboration, networking and social change. The modern, design-led and eco-friendly workspaces (this Centre aims to be amongst the most eco-friendly in the country) come with superbly equipped communal facilities. This include advantages of meeting rooms, kitchens, showers, breakout spaces, bike racks and a fully-staffed reception.
