

Serviced Office Space UK

Ely CB7 4EX

Located in the Cambridgeshire business park in Ely, the centre is ideally located for direct and quick transport links to both Cambridge and London – perfect for those have regular business meetings in the city. The centre is only just five-minutes away from the A10 for those who drive and is within walking distance of Ely mainline station – just a 15-minute walk. There are many picturesque walks to be had in the immediate vicinity of the centre – ideal for a lunchtime stroll – and showing why Ely came top for the UK’s best quality of life.

Based in Ely, this centre provides service office space with units ideal for start-ups, small, growing and established businesses. The space benefits from lots of natural light, making for a productive environment. The centre provides flexible, affordable office solutions, professional conference facilities for hosting clients, business address services, virtual office facilities and onsite catering. This is an exciting proposition for those who want to take advantage of efficient, friendly business support and advice. The onsite management team are on-hand to answer any queries you may have and do all they can to help you succeed.
