

Serviced Office Space UK

61A Southbury Road

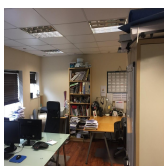

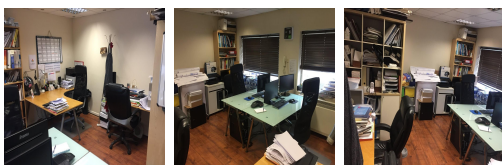

London EN1 1PJ

This centre is strategically located in Enfield town which is great for commuters. The space is just a two-minute walk from Enfield town station, with Enfield Chase not far behind. Multiple local bus routes travel through the area with a stop located just around the corner from the office space. There is also great access to the M25 Motorway for drivers via junction 25, with links to A406 via the A10. The centre is surrounded by a multitude of local amenities, with shops and a local Tesco just a short walk from the space as well as a good variety of cafes and eateries within the local vicinity.

This spacious, self-contained, serviced office space in Enfield Town has a stylish but simple design. With an approximate size of 250 square feet, this space is perfect for any business looking to set up two or three workstations. The space is furnished with a minimalist approach, making the most of the space, with hardwood flooring for an elegant finish. The space gives tenants access to great amenities such as 24-hour access so that clients can manage their working hours to suit their business needs and a shared kitchenette area where they can enjoy lunches and network with their co-clients. The rental prices are inclusive of bills and vat.
