## Littlehampton BN17 6AW

This workspace is ideally situated on the corner of East Street and Church Street and is in the heart of Littlehampton CBD. There are two free car parks within 50m and easy street parking nearby. Littlehampton railway station is about five minutes' walk and the beach a 10-minute walk. East access to the A27 positions Littlehampton perfectly between the South East's major cities and Gatwick Airport.

The new, beautifully designed serviced offices suites are fully networked, have the latest technology and are finished to a luxury standard that will enhance your business image and value. The conference suite has a 10-seat boardroom table and is fitted with audio visual equipment including electronic whiteboard and hands free conference phone. Adjacent to the conference suite is a relaxing coffee reception area. With various individual suite sizes, it means you business can grow with us. Our in house technology will allow your business to be fully operational on day 1 with minimal set up and ongoing costs. New business start ups receive special rates and have access to a support group to help bring their idea to life.
