

Serviced Office Space UK

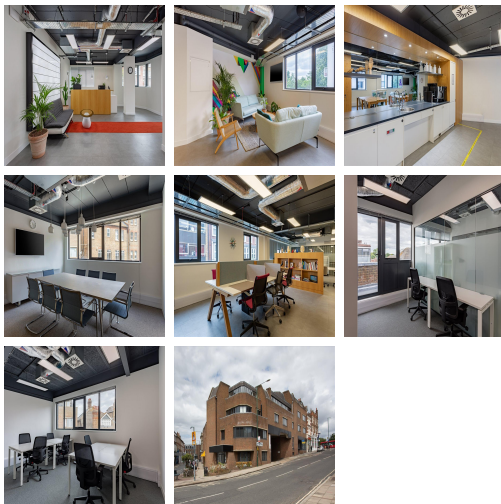

Teddington TW11 0JR

This workspace is easy get to by road, as well as rail, with the centre being approximately a five-minute walk away from Teddington train station, ideal for commuters. Local amenities include coffee shops, pubs and shops. London Heathrow Airport is located approximately seven miles away and London City Airport is approximately 18 miles away, so the centre is well placed for access to international travel. The space is also nearby Bushy Park or the River Thames, where you can enjoy a pleasant walk at any time.

Opened June 2017 - There are plentiful opportunities to mingle with other businesses at these workspaces in Teddington, an attractive, leafy part of west London. The low-rise modern building is easy to find from the railway station, which is a few minutes' walk away. It contains unique co-working spaces, breakout networking areas, meeting rooms and offices. Available on flexible terms, this workspace is great for every business from start-ups to established firms, especially those in the science and technology fields. The area is something of a scientific hub, with organisations such as the National Physical Laboratory on the doorstep. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs each month.
