

# Serviced Office Space UK

---

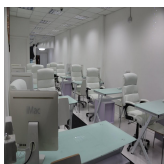

## London E17 6PR

This space is situated in a central location, just minutes away from Walthamstow Central and Blackhorse train stations giving you access to the Victoria line, as well as national rail services. The centre is surrounded by an array of shops and local eateries, making this the ideal place to house your business. The Mall Walthamstow has a number of well-known brands. London City Airport is around a half an hour drive away and can also be reached easily by using the excellent public transport options.

This is an exciting, new office space available in Waltham-Forest with dedicated desks available to rent. This centre is newly refurbished and has a high-tech finger print access system with a safe and secure CCTV surveillance. Each desk has a personal computer with your own lockable drawers and internet access, as well as a dedicated letterbox for your business and access to printers under a fair usage policy. A cleaning team keep the space immaculate, and other benefits for tenants include kitchen areas, IT support, postal facilities and mail handling, as well as bike racks for those choosing to cycle to work.
