

# Serviced Office Space UK

## Croydon CR0 0XT

Tenants will benefit from a fantastic Croydon location, with superb transport links and a range of local amenities. East Croydon railway station is based directly opposite the space, and is served by Southern Railway, Thameslink and southeastern Railway, giving you easy access to Clapham Junction, London Victoria and London Bridge. In addition, tenants can make use of regular bus and tram services. Tenants will also have a range of options in terms of eateries, cafes and bars nearby – ideal for lunchtimes or post-work entertainment.

Having opened in 2015, this Croydon-based centre spans two floors and offers a range of workspace options. The centre has both hot desking options, as well as three available units ranging in size. An exciting proposition for all kinds of business – from smaller start-ups to larger SME's – the centre offers a vibrant atmosphere and a wealth of amenities. The centre's 24-hour access means that tenants can ditch traditional working hours and set their own schedule. Breakout space and meeting rooms gives tenants options to diversify their working environment throughout the day. The centre's onsite management team will also be on-hand to answer any queries and provide support to you. Other amenities include air conditioning, reception services, printing facilities and a kitchen.
