

# Serviced Office Space UK

---

## 19 West Street

### Epsom KT18 7RL

West Street is based in Epsom, Surrey, with easy and fast access to central London, Heathrow & Gatwick airports, the M25 and the A3. The office is a short walk from Epsom's main line station, the town centre and local gyms. West Street is also just a few minutes drive from Epsom Downs racecourse.

This centre is a grade II listed building that has been modernised internally to create a light and airy working space. Dedicated offices are available to create your own environment and culture whilst having the benefit of a complete serviced office solution. The open plan spaces offer a dynamic and supportive environment to individuals looking to work alongside like-minded people with our boardroom and meeting rooms available as required.
