

Serviced Office Space UK

Enterprise Centre

Aberdeen AB23 8GX

Located in the Aberdeen Energy Park to the north of the city in the Bridge of Don, just 10-minutes away from Aberdeen City Centre. This space occupies a coastal location close to the AWPR Blackdog Junction making it easily accessible from the west and south side of the city. Ample on-site parking is available for your convenience. Aberdeen Airport sits north-west of the business centre with a journey time of just 15-minutes. The airport provides frequent services to cities throughout the UK and Europe. In addition, the nearest bus stop, Claymore Drive, is located just four-minutes away on foot.

A dynamic and vibrant business centre, offering a range of affordable contemporary serviced office suites and co-working space on flexible terms. Serviced offices provide the greatest flexibility with all-inclusive pricing. Whether you need a two person office on flexible terms or are a larger company looking for a longer period this space has all options available for you. This location offers space for your Business to grow. If you are starting out and need a space to generate energy and productivity a desk in a co-working area will be ideal for you. Choose either a dedicated desk or hot desk solution. You can have your own work station within our co-working office space with private lockable storage or Hot Desk, which gives the option to use more than one of our centres. This ultra-modern business centre offers flexible office solutions for teams of all sizes and provides all the business essentials you need to get to work from the day you move in.
