

Serviced Office Space UK

1 Alvin Street

Gloucester GL1 3EJ

This workspace is located in the prime location of Gloucester so members can easily commute to work. This centre is a two-minute walk from Gloucester train station and the rugby club. Several bus stops are also located near this centre which makes travelling even more convenient. The City Centre shops are a three-minute walk and plenty of cafes, supermarkets restaurants and takeaways are available around this workspace. In addition, this workspace is surrounded by various tourist attractions like museums, parks and arboretum.

This modern workspace is situated in a refurbished 18th-century mill building with four floors of office space, two community meeting rooms, and a large warehouse. This building provides secure 24 hours access and this centre would make a great hub, treatment, counselling room or admin office. Many business essential amenities are also provided such as free meeting rooms, broadband, free networking/workshops and training sessions. This centre also provides shared parking to the members. This centre is considered the best workspace around and also the home for entrepreneurs for many businesses. In addition, free tea, coffee and hot chocolate are also provided to the members to have a break from their hectic work schedule.
