

Serviced Office Space UK

Burgess Hill RH15 9DQ

This small business office centre is in an excellent central Sussex location, within 50m of Burgess Hill mainline rail station with short commute times of only 15 minutes to Brighton, five minutes to Haywards Heath, and 55 minutes to London. The business centre also boasts good local facilities and amenities. There are a variety of cafes and restaurants nearby, offering tenants of the space plenty of choice for grabbing a quick bite to eat at lunchtime or celebrating business success with colleagues.

This business centre specialises in small business office space requirements. Options include dedicated office space, multi-room combinations and co-working office space. All areas are spacious with high-quality desks, draws and adjustable chairs. Features include 24/7 access, alarmed with individual codes, wireless broadband network, three communal male and female WC facilities, weekly communal cleaning, and a micro kitchen area. A straightforward license agreement with no legal fees. The office space is available on flexible terms, including business rates, electricity, water, heating, and high-speed internet access.
