

Serviced Office Space UK

3 Soothouse Spring

St Albans AL3 6PF

Looking for a place that's easy to get to? Look no further than this location. The workspace offers easy access to the M1, M25, and A1, so that members can get where they need to go without any hassle. Plus, there are plenty of other transportation options like train stations which include St Albans City, Harpenden, Luton Airport Parkway, Watford Junction London Overground Station, and Watford High Street and airports nearby include London Luton Airport, Heathrow Airport, London City Airport, and Stansted Airport so that members can always find a way to get around.

Looking for a central, convenient, and affordable business centre? Look no further than this state-of-the-art facility. 24- hour accessibility, security cameras, ample car parking, and fast internet and WIFI services make this space an ideal choice for businesses of all sizes. This easy-in, easy-out office space with no long-term lease commitment is perfect for businesses who want the flexibility to grow or downsize as needed. The workplace also has a large board room with WIFI that can be used for meetings or events (as well as a smaller meeting room), and on-site business advice is always available free of charge. The toilets are equipped with showers on each level for convenience, and also have disabled access (via lift) and unallocated free parking for bikes and cars. Plus, there are never any maintenance charges, so members can focus on running the business! CCTV security and alarms keep the premises safe and secure, and high-speed broadband access provides connectivity which helps to stay connected and productive.
