

Serviced Office Space UK

London NW2 5PJ

This fantastic workspace is located three minutes walk from the bustling High Street, five minutes' walk to Dollis Hill Tube Station & Willesden Green Bus hub, and just 10 minutes' walk to Willesden Green Station. The space is positioned close to the A406, M1, M25 and A40 road links. Central London can easily be reached within minutes, with a plethora of attractions and amenities, and the centre is within an easy commute of London Heathrow Airport (LHR), ideal for international business travel to various destinations.

This centre provides progressively designed & secure work-space within a private gated development. Housing over 250 people in the professional & creative industries, the Courtyard offers exceptional & flexible work space in NW London. The semi-industrial studios offer individuals and SME from 1-150 both private offices and co-working space with plenty of natural light & air, spacious breakout areas, super-fast fibre internet with WIFI accessible throughout the courtyard, all-inclusive data and private landline (accessible via your mobile), fully stocked kitchen with beverages, pastries and fruit as well as access to professional meeting rooms. The all-inclusive flexible monthly membership covers rates, utilities, high speed internet access and cleaning with no hidden extras enabling you to focus on and grow your business. This friendly campus also has the benefit of outside Courtyard seating, ample bike storage, showers & limited secure car parking.
