

Serviced Office Space UK

Glasgow G41 1BB

This workspace is a fifteen-minute drive from Glasgow city centre and is also on local bus routes for you to be able to get to various destinations. Located in Glasgow there are various places to eat and drink, as well as cultural attractions including museums and galleries. Shopping options are excellent and there are fine transport links across the city with Glasgow Central and Queen Street stations offering rail travel across the country. Should international travel be required, the space is just over a 10 minute drive away from Glasgow Airport.

This centre located a stone throw away from Glasgow City Centre will give you everything you need to run a successful business. With access 24/7 and bills included in the monthly rent with this property. As well as 24/7 access and bills included you will also have access to a kitchen/washroom, customer waiting rooms, meeting rooms and you are able to decorate and fit out your office as you please. There are plenty nearby amenities such as cafes, supermarkets, local shops and fast food restaurants. There is also free on street parking, which is fantastic for those commuting by car, and for visitors.
