

Serviced Office Space UK

London Road

Stevenage SG1 2NG

This space is located 15-minutes by foot outside of Stevenage town centre and is also situated on local bus routes. Within the town centre, you have the mainline station with frequent services to London Kings Cross Station, taking around twenty minutes and taking around thirty-five minutes to get into the City. Stevenage itself has a range of attractions and facilities, including shops, banks and places to eat and drink such as Starbucks Coffee, Nando's and Ask Italian. There are also places to stay, perfect for any visitor.

This building has been beautifully renovated to create a stunning new working environment within a modern office building. The workspace comes with on-site parking for tenants and visitors, meeting and training rooms fully equipped with the latest technology. In addition, there is a communal area, kitchen and break out area, which offers a place to unwind and relax away from your desk. The centre is managed by an on-site friendly team who are always there to offer support. This space is located within walking distance of Stevenage town centre and is only a thirty-five-minute train ride into London City.
