

Serviced Office Space UK

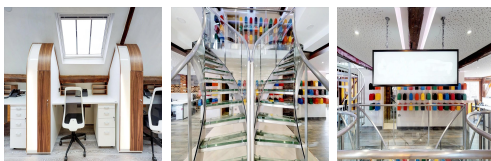

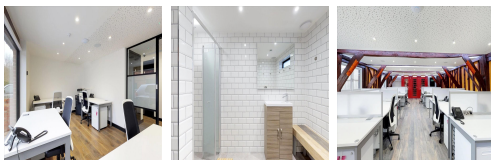

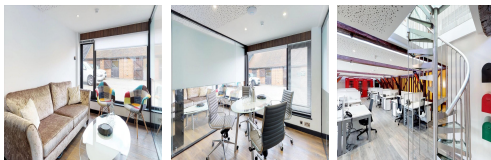

Cobham KT11 3NE

This workspace is located in Downside, Cobham and is a five-minute from the local train station and Cobham town centre. The space has plenty of access to local transport links, with a free shuttle service running from the Long Barn to local transport links. The space also has great access to the M25 Motorway, which is just a 10 minute drive from the centre. Cobham has a number of places to eat and drink, including Carluccio's, Costa Coffee and Starbucks, as well as banks and a Waitrose Supermarket.

This centre is a large coworking space that also offers private space in Cobham, Surrey. With over 100 desks in total and four different membership options; Pay as you go, virtual, dedicated desk and private office space there is something for everyone. The permanent desks spread across three open-plan floors, two of which have pods of four desks and are available for teams from 1 - 20 people. The private office options allow members to take on private, partitioned space in teams ranging in size from 3 - 30 people. The building itself is a high-spec space with meeting rooms, a lounge/cafe area, tea points on all three floors, quiet 'telephone' style boxes, an on-site management team, shuttle bus service, on-site parking, changing room and shower facilities, social/business events and postal services. This is one of the only spaces of it's kind in the area, building a fantastic coworking environment, synonymous with community atmosphere that can be found in similar workspaces across London.
