

Serviced Office Space UK

Saint-Andrew's Street

Leeds LS3 1LF

This attractive work space is only a short walk from Leeds Station, and Burley Park station. The centre is located 0.6 miles from the city centre, and boasts numerous transport links connecting tenants to the whole of Leeds. There are a variety of both independent and big-name cafes, bars and restaurants within walking distance from the work space. In the city centre, Leeds has many attractions including Trinity Leeds, and various museums and galleries such as the Leeds City Museum and Leeds Art Gallery.

This centre is a fully refurbished grade II Listed building with bundles of character, offering vibrant and stylish spaces perfect for modern businesses with a creative edge. The building is exceptionally competitive, offering a fantastic range of facilities and an attractive proximity to the heart of Leeds. Here, spaces are designed with modern working practices in mind, with everything an individual would expect to find such as kitchen facilities, breakout areas, secure underground parking, designer Ergonomic chairs, Nespresso coffee machines, roof terrace, showers and bicycle storage and many more. This centre accommodates businesses and budgets of all sizes - from a shared desk in the bright and airy open plan areas to a private and secure serviced office for a growing business. Clients can book meeting, conference rooms, office space and co-working desks by the hour, week, month or longer.
