Shoreditch is only 10-minutes walk from Liverpool Street. Every 25 yards you are greeted by a new and quirky coffee shop or restaurant, whether its a quick coffee and sandwich you're after, or you want a sit down lunch there is something for all. The closest Underground station is Old Street and this is only a short 6-minute walk to and from the building, so there is easy access to quick and easy travel across London. Heathrow Airport can be easily accessed by public transport, as can London City Airport.

These beautiful, spacious, affordable private offices are located in the heart of Shoreditch. Each office comes with super-fast WiFi and a customisable office design. A beautiful and collaborative communal area downstairs perfect for impromptu meetings and getting away from the desk. In addition to this there are plenty of kitchenettes dotted around the building equipped with Tassmio coffee machines for a quick coffee break. Professional meeting rooms are available, for more lengthy meetings, and there are also bike storage facilities, encouraging cycling into the office, which is a great option in this area.
