

Serviced Office Space UK

Glasgow G73 1SA

This brand-new building is located on the edge of Glasgow City Centre. The space is surrounded by plenty of local amenities for members to enjoy, including several parks and Glasgow's sports ground. There are some excellent transport links with Dalmarnock Railway Station within walking distance. The centre boasts easy access to the M47. This space is also just a short 5-minute drive into the city centre, where clients will find several places to eat and drink, as well as some excellent shopping options, from high street to high-end brands.

This centre is situated on Scotland's newest urban business park on the edge of Glasgow, just a 5-minute drive from Glasgow city centre. This centre is the perfect location for those who are looking for modern office space in a spacious and astonishing building. The workspace offers high-quality offices with the option of furnished or unfurnished space. Here, clients can welcome their guests in the social space or use one of the various meeting rooms. Other amenities include bike racks, an on-site management team, and flexible terms to suit all business needs. Shower facilities are also available for those running or cycling to the office.
