

# Serviced Office Space UK

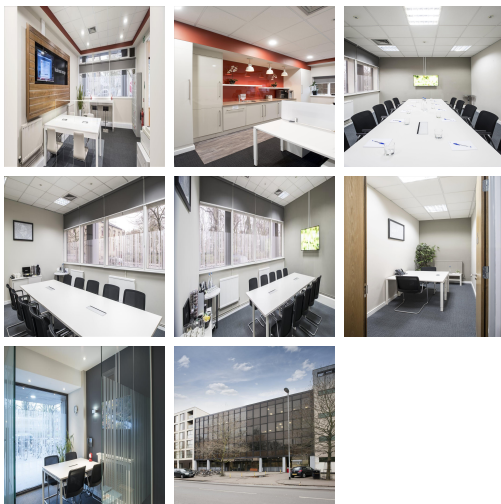

## Cambridge CB1 1BH

This space is located in the centre of the historic University city of Cambridge. Local amenities including retail and restaurant facilities are easily accessible from this location, meaning there is plenty to do away from the office. The university has had an enormous impact on the development of the city, both through providing direct employment and as a driver for scientific research. Cambridge is well served by public transport, and the railway station has services to London and Birmingham, as well as links to Stansted Airport.

A 1970s building, this prominent office block has a glass exterior, offering excellent views and natural light. A contemporary reception area and boardroom offer a warm atmosphere with wooden features, artworks and light, neutral décor. With its glass exterior, the offices enjoy plenty of natural light and superb views, creating a pleasant working environment. The property has been refurbished to an excellent standard, to provide a range of high-quality office suites. Accessible 24-hours a day, there are excellent amenities including conference facilities and meeting rooms, parking spaces and reception services.
