Croydon SE25 5EX

The office is set in a very quiet mixed used estate, and has a reserved parking for one vehicle, perfect if you want to own your own space or need a client facing office to us. However the space is served on a first come, first served basis. The centre is only a short walk (ten minutes) from Selhurst station and only 15 minutes walk from West Croydon station. Both of these offer, quick and easy access to London and link to the national railway. If travelling by car the A23 is only a 10 to 15 minue drive away and Heathrow Airport is within an hour. A shopping centre is close by to the centre and Croydon offers a number of shops, restaurants and bars.

The centre has just opened a new office that would comfortably hold up to four people. It's a spacious work space that offers a lot of natural light, air conditioning and good views from large windows. Modern furnished floors, offer a comfortable and welcoming environment to work from. The centre is well established and has experienced staff who will do all they can to ensure running a business goes as smoothly as possible. The office is open 24-hours a day and has access to a good security system. There is also a shower and a bike rack so it is well suited for commuters who like to cycle. The facility is well furnished but offers any future tenants the opportunity to decorate and design the office as they please. Flexible contracts are possible too, so businesses can arrange a payment scheme that would suit their business model best.
