

# Serviced Office Space UK

---

## 154-182 Kennington Lane

London SE11 5DP

This business centre is based in the heart of Kennington - just south of Central London. The centre benefits from some great transport links, with Kennington underground station (8 minutes walk), Oval underground station (11 minutes walk), and one of capital's biggest transport hubs, Vauxhall station (12 minutes walk) all in the close vicinity. With such a prime location, tenants can make use of the vast amount of eateries and drinking holes surrounding the centre, including The Tommyfield and The Black Prince.

This newly refurbished business centre is set over six floors and offers a multitude of space options. All areas benefit from abundance of natural light and lovely interior design. These contemporary and stylish offices will centre around a beautiful central atrium which will certainly impress any would-be business clients. There is also a membership scheme which is an ideal proposition for freelancers, start-ups or those seeking coworking space. With an onsite café to keep you energised throughout the day, and four high spec dedicated meeting rooms available for booking, the centre has plenty of amenities on offer.
