

Serviced Office Space UK

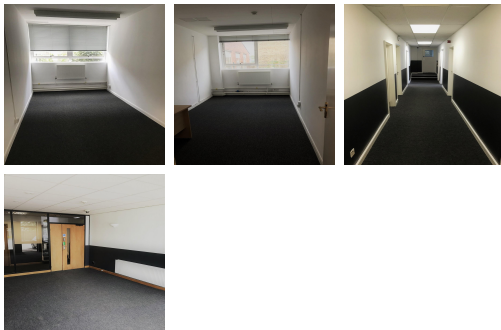

Walton-on-Thames KT12 3PD

The business centre is located within walking distance to both Hersham and Walton on Thames Station which gives a regular, direct link to London. The space lies just seven miles from Heathrow airport, which offers a huge array of worldwide travel destinations, and also has easy access onto both the M25, and the M3. The local area is affluent, and offers plenty of cafes and restaurants. Central London, which is easily accessible, has a range of attractions and amenities, including huge shopping complexes, museums and galleries.

Presenting these newly refurbished vacant offices, office sizes range from 90sqft - 330sqft with the option to offer these furnished or unfurnished. Terms are extremely flexible with no long term commitment, with no deposit, just rental payments on 1st of the month, if you are a new client your 1st month is free of charge. Kitchen and toilet facilities are available on each floor, a common area is available for networking and separate meeting rooms are offered that can be rented on an ad-hoc basis for a small fee. If you are looking for archive storage, or a workshop, these services are also offered within a storage centre (connected to the office building), allowing to cater for many types of businesses, from start ups to well established companies.
