

Serviced Office Space UK

London NW1 3BT

This workspace is in London's vibrant West End. With the underground stations of Warren Street and Great Portland Street accessible in under 5 minutes and London Euston in under 10 minutes, this building is in a prime location to commute from all parts of London. The regional transport links are also excellent and provide all prospective tenants with a range of frequent and convenient services throughout the area. With everything on the doorstep of this business centre, there are also many recreational activities around the corner.

This modern glass office building boasts 17 floors of state-of-the-art workspace. The centre has natural light that immediately fills the recently remodelled reception area, making tenants feel instantly at home. Add to this the refurbished basement area and modern changing facilities and showers. The centre has meeting spaces and breakout areas throughout the building. There is also an abundance of lockers for staff to use and over 150 cycle racks for those keen to get active on their commute to work. These exceptionally well-equipped and fully functional private offices and collaborative team suites make productive, and the visitors are impressed with the building's vibrant working atmosphere and an impressive degree of corporate prestige.
