

Serviced Office Space UK

Nottingham NG4 1JJ

The centre is based in the charming Nottingham suburb of Carlton, just four miles outside of the city centre. For those who drive, it is just a ten-minute drive into the city centre, giving easy access to a wealth of eateries, shopping options and cultural attractions. There are also a large array of amenities closer by, with Victoria Retail Park (based in Netherfield) just a four-minute drive away and hosting retail options such as Argos, B & M Bargains and Boots. For those who drive the centre offers brilliant facilities, with over 40 dedicated parking spaces on offer.

Situated just ten minutes outside the city centre, this newly refurbished 3 storey building offers competitively priced space so whether one is a start-up or a small to medium company this could be their ideal location. The centre is composed of three floors and comes with a number of useful amenities. Tenants can take advantage of on-site meeting room facilities, allowing any business guests or clients to be hosted in a professional environment. Offices come furnished, allowing one to focus on getting straight down to business without the added burden of decorating their space. There are also on-site kitchen facilities and breakout spaces. Additionally, with 24/7 access, one can take control of their own working hours and leave behind the traditional 9 till 5 if one wants to. The centre also comes equipped with high-speed internet, CCTV, and a large amount of parking for tenants.
