

Serviced Office Space UK

NO 11

Farnham GU9 7UG

The space is ideally located within an easy walk to the shops, banks, restaurants and sports centres nearby. With an abundance of green space in the local area as well, you'll find yourself with plenty to do in your out of office hours. Based on a business park within a five minute walk from the town centre and with the option of dedicated parking space, this office has a unique offering in the attractive market town of Farnham. Alongside this, the space is easily accessible by car, train or on foot, where you'll find yourself with an easy daily commute to work.

This unique office space boasts eight modern, high spec offices ideally located within a few minutes walk to the restaurants/shops etc. There is air conditioning throughout the whole building, alongside onsite parking and the layout of the building is designed for a modern, forward thinking work environment. Accessible 24 hours a day, seven days a week and with plenty of meeting rooms and communal break out areas, there is enough space to hold formal or informal meetings throughout the working day. This office space offers a friendly, flexible working environment that grows with your business.
