

Serviced Office Space UK

Manchester M3 2HW

The workspace is located in an amazing location where all modes of transportation are easily available. The location is well-connected by train stations making the day-to-day commute easier. The workspace is also just a few kilometres from airports making business travel convenient. Additionally, the location has a mix of bars and global restaurants to make the most of the after-work hours. The members can also take advantage of entertainment services and casual eateries available at the building.

This fantastic office space is a family-owned property investment and development business. Also, the workspace specializes in identifying and developing architecturally interesting and overlooked buildings into design-led, inspiring spaces that make teams want to come to work. The building has undergone extensive refurbishment, with careful restoration and modernization. The result is characterful, flexible, office suites with an industrial feel. The business lounge is a communal space with bookable meeting rooms and complimentary refreshments. The clients will always be happy and satisfied after choosing this space to work.
