

Serviced Office Space UK

Tonbridge TN9 1BH

This centre is in the creative heart of Tonbridge, near many town's best coffee houses, cafes, bars and restaurants. The centre benefits from the beautiful surroundings with historic buildings, manicured gardens, and peaceful river walks. The High Street is within yards of the centre. Transport links are excellent, and a public car park is directly outside the building. The nearest bus stop is just 60 yards, and Tonbridge's train station is less than a 10-minute walk. This workspace is accessible from every transport link and places tenants and their teams in a well-connected centre.

This completely renovated building has been recreated as an open-plan co-working space in the heart of the 'old town' in Tonbridge, situated directly across the lawns from the stunning 11th Century Castle gate. The centre aims to provide 'walk-in and work' facilities for remote workers, freelancers, start-ups and small businesses. Shared areas include a well-equipped kitchen with a coffee machine, kettle, fridge and dishwasher. Membership includes rent, rates, utilities, maintenance and high-speed business internet. This centre provides the flexibility and freedom that small or new businesses need.
