

Serviced Office Space UK

Manchester M2 6LW

Located right in the epicentre of Manchester, the centre benefits from being able to take advantage of all the centre has to offer. All of Manchester's train stations are within close proximity, with Manchester Victoria just 10-minutes walk, Manchester Oxford Road also 10-minutes walk and Manchester Piccadilly around 15-minutes walk. The centre is in the immediate vicinity of Spinningfields and its multitude of eateries and drinking holes, as well as its cultural attractions, such as the Manchester Opera House.

Based in the heart of Manchester, this centre offers both private office space – ranging from 4 to 12 people – and coworking options for young businesses and start-ups. The centre is a managed and serviced site, giving tenants a support network to rely on and go to with any queries. Equally, the centre places a lot of emphasis on developing the businesses within their walls, and as such there are a wealth of opportunities available for mentoring, coaching, an abundance of networking events and business expertise. The centre comes packed with useful amenities, such as ultrafast WiFi, unlimited use of meeting rooms, 24 hr access for those that don't adhere to the typical 9-to-5, printing facilities, unlimited refreshments and, helpfully, access to their sister centres across the UK!
