

Serviced Office Space UK

Redcliffe Way

Bristol BS1 6NL

This centre is in the hub of Bristol's business area which has fantastic transport links. Temple Meads train station is less than six minutes away, and popular bus routes are almost on the doorstep. For those who prefer to cycle to work, secure bike racks are offered at this centre. Many restaurants, bars, cafes and shops encompass this site, so tenants will never have trouble finding lunch, a place for entertaining or shopping after hours. Somerset Square is a three-minute walk away, offering an excellent spot for a stroll on the lunch break.

In the heart of Bristol's thriving city centre, this site offers exciting office space to brighten up the working day. With private offices, fixed desks, hot-desking and meeting rooms, there is something for everyone. This centre encourages productivity by offering bean-to-cup coffee machines, high-speed WiFi and comfy lounge areas for those well-deserved breaks. The space provides six floors of office and break-out area with options for 6 to 100 people and has a dedicated floor explicitly designed for teamwork and meeting spaces. Expect to find funky themes and décor, making this office a fun yet productive workspace. Tenants will have access to secure bike racks and a well-equipped kitchen. This modern centre also hosts events and encourages collaboration between companies, offering new opportunities for local businesses.
