

Serviced Office Space UK

77 Hatton Garden

London EC1N 8JP

This fantastic work space is situated in a vibrant and bustling area of London. It is surrounded by great transport links, including; Farringdon Train Station located a five minute walk away, Chancery Lane Underground Station located a five minute walk away and Barbican Underground Station located a twelve minute walk away. There are also many great bus connections within walking distance. The work centre is situated a stone's throw away from many eateries, bars and restaurants, perfect for lunch breaks and after work activities.

Located in a vibrant area of Central London, this impressive office opportunity is one not to be missed. This centre has an exciting option of a totally customisable working environment, the centre can be fully fit out to suit the requirements of your business. Your company can design the work space and make it bespoke, to ensure that it reflects your brand and satisfies all your requirements. The pricing will include the costs of designing your bespoke space, fitting and servicing the space and can be upgraded to include the likes of furniture and ark work. The work space will include meeting rooms, call pods, kitchen facilities and breakout space. This property is ideal for larger businesses, with 6,400 Sq Ft of space available.
