

Serviced Office Space UK

Colwyn Bay LL29 8BF?

The centre is in Colwyn Bay, which sits midway between Bangor and Chester. The location is both peaceful and convenient for tenants, with the space set back from the road and boasting stunning views of the Irish Sea, as well as being close by to some woodland – ideal for a lunchtime stroll. However, tenants have all that Colwyn Bay's town centre offers just moments away, with several retail and dining options. Tenants have easy access to the A55 – just two minutes away – and Colwyn Bay train station is within a 15-minute walk.

This centre offers professional premises within a tranquil setting and boasts a range of amenities. Tenants will find that their overheads are low, with no hidden costs arising at the end of the month. The centre has a range of suites available, ranging from 140 square feet up to 3,300 square feet, making it an exciting proposition for all kinds of businesses, whether a young start-up or an established business looking for a branch office. The space is open-plan in its layout and flexible, offering a range of solutions for tenants. The centre also has meeting room facilities seating up to 20 – ideal for hosting clients or team meetings. All suites are individually designed and built in-house to an excellent specification. The space is also accessible 24 hours a day, giving tenants control over their work schedule and allowing them to ditch the traditional 9 to 5 if desired.
