

Serviced Office Space UK

Meppershall Road

Hitchin SG5 3PF

The centre is set in the rolling countryside of Hertfordshire, just outside of Hitchin. Tenants will spend their days in a lovely setting that will be sure to help productivity. Transport links are good, with this space ideally situated near to main road links. Hitchin town centre is around a 15-minute drive and offers several eating, drinking and retail options to take advantage of on your lunchtime. Hitchin's train station also boasts direct service to London St Pancras – around 30 minutes in duration – ideal for those who regularly travel to the Capital on business.

Set in the Hertfordshire countryside, this centre offers a unique setting for your workplace, consisting of seven beautifully renovated Grade II listed barns. The barns have undergone an impressive transformation and are now home to contemporary, professional office suites. Three units are available, suitable for teams of between two and six. The barns boast everything a tenant would need a modern working day, with high-speed broadband, Cat 5 cabling, central heating, air conditioning, and an abundance of onsite car parking. The suites are designed a comfortable way, with a carpeted finish and original features, such as high beams.
