17 Bevis Marks

London EC3A 7LN

This work centre is situated in a fantastic location. It is very accessible for commuters as it provides excellent transport links. Liverpool Street Underground is a six-minute walk, Aldgate Underground is a four-minute walk, and Tower Hill Underground is a seven-minute walk. Located within walking distance to the workspace are various restaurants, shops and bars, allowing tenants to enjoy their lunch breaks and make the most of after-work drinks. There are also recreational activities nearby; for example, a fitness centre is just over the road.

This building offers a beautiful workspace spread over eight floors in a fantastic central location. The business centre is very spacious and open plan, with a light interior and large windows allowing for a bright and pleasant workplace. The workspace offers an entirely self-contained area for clients looking to develop their company in a private space. Each of the eight floors provides a separate kitchen and breakout space for the tenants. The ground floor has a staffed reception with a call answering service. The building offers many excellent facilities, including off-street bike storage, bathroom facilities, CCTV and showers. With fantastic transport links and excellent local amenities, this space gives clients the perfect workspace in the heart of the city. This space can only be provided on a minimum term of 18 months.
