

Serviced Office Space UK

London WC1R 4FS

This office building is centrally located between the City and the West End. The work centre is within easy reach of great public transport links; Holborn, Chancery Lane and Russell Square Stations are all under a ten minute walk away. The office space is surrounded by excellent amenities, there is a Nando's, Cafe Rouge and a Bill's just a stone's throw from the office, providing a variety of places for a quick lunch. There are also many shops, bars, hotels and leisure centres surrounding the work space.

This excellent listing offers modern office space with an abundance of character, perfectly located in the vibrant area of Holborn. The space has recently been refurbished in collaboration with the fantastic architects Buckley Gray Yeoman. The space has a contemporary feel, with beautiful features such as exposed brick and a peaceful roof terrace. The work space can be tailored from head to toe, to suit the needs of your modern business. The bespoke design options gives you the freedom to be able to reflect the identity of your company and can be fully fit out to satisfy all your requirements.
