

Serviced Office Space UK

London WC2H 9EY

This work centre provides the opportunity to be a part of a unique and vibrant community within the heart of Central London. The office space is situated in the heart of the West End and is conveniently located in close proximity to many great transport links. Covent Garden Tube Station is a four minute walk away and Leicester Square Tube Station is only a three minute walk from the office space. The office building is surrounded by numerous shops, bars, restaurants and cafes, offering a variety of places to grab lunch and to go for after work drinks.

This is a stunning period building, and can be rented self-contained space or on a floor by floor basis offering eight desks, a meeting area and kitchen breakout space allowing occupiers to move in quickly and smoothly. The space has been comprehensively refurbished to provide three floors of open plan office space, and has 24-hour security and on site estate management. All floors provide brand-new, plug and play accommodation and occupants are connected via a tenant portal and privilege card, providing contacts and exclusive offers and discounts at local shops and restaurants. The desk charge is £625 and this is inclusive of service charge, insurance and rates.
