

Serviced Office Space UK

Milton Keynes MK1 1DX

This office space is located on the main road of an industrial area. There are good bus connections available, with the nearest bus stop a short five minute walk away. The nearest train station is Fenny Stratford Station, located only a 16 minute walk from the office space. There is a local shopping centre in close proximity, and Milton Keynes Dons Stadium, IKEA and 24 hour ASDA are all within walking distance of the office space. There are plenty of cafes and coffee shops near to the office space, which provide plenty of options for lunch and breakfast.

This listing offers an ideal office which is well lit with two large windows. The office is situated in an industrial area, with parking available in front of the office door. This office space was used by a car dealership previously and fixtures and fittings are fairly new as building was renovated less than five years ago. Tenants can benefit from kitchen and toilet facilities, including disability toilets. There are also other options of offices available at this location if required. The modern office is situated on the main road and has many great local amenities and public transport links.
