

Serviced Office Space UK

Stamford (Lincolnshi PE9 2BW)

Stamford is a wonderful stone-built Georgian market town and is thought to be one of the finest stone towns in England. The town offers an excellent variety of boutique shops and retailers, supermarkets, characteristic pubs and a range of restaurants. The office space is located a stones throw away from the main high street, but also from Wharf Road car park where there are over 200 car parking spaces. Stamford Train Station is located a short ten-minute walk away from the office space, making the building very accessible for commuters.

This excellent listing offers a fantastic creative, work hard - play hard, co working space based in central Stamford. The modern office building provides fully flexible desks with no monthly fee and full time dedicated desks on a simple monthly rolling contract. Tenants can benefit from a wealth of amazing facilities, this includes six high quality meeting rooms- ranging in size from one to one pods to a spacious boardroom for up to twelve people. The office building has a fully functioning kitchen and there are vibrant communal break out areas for tenants to sit, take a break and have lunch at.
