

Serviced Office Space UK

London NW6 1PL

This excellent work centre is situated in the sought out area of Hampstead, with excellent access to public transport links and fantastic local amenities. The office space is located a five minute walk away from West Hampstead Tube Station, here you can access the over ground and underground station, on the jubilee line. The work centre is located just a couple of minutes walk from the buzzing high street, where tenants can find plenty of options to grab a quick lunch, or to go for after work drinks.

Brand new luxury serviced offices, located in the prime area of Hampstead. These high quality office suites are ready to move into from 1st July 2019 and there is a range of space available. The rent is inclusive of all utilities, insurance and business/council rates, making the move very easy for the tenants. The work centre has a range of facilities on offer, this includes; vibrant break out areas, daily cleaning service, customised luxury furniture and free tea and coffee. Tenants can also benefit from high-speed Wi-Fi and a postal delivery service. The work centre is located within easy reach of excellent transport links.
