

Serviced Office Space UK

7 Park Row

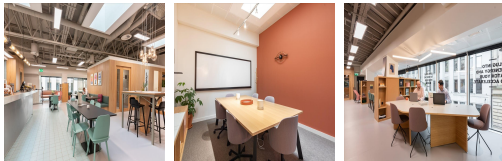

Leeds LS1 5HD

This work centre is perfectly located on Park Road, right in the centre of Leeds. The office space is within easy reach of many public transport connections, Leeds Train Station can be reached via foot in under five-minutes. There are several bus routes which pass right outside the office space. Due to the fantastic central location, there is a huge selection of eateries, bars, restaurants, shops and cafes that are located within walking distance of the office space, this includes big chains but also many independent and unique options.

This centre provides excellent office accommodation located in the heart of Leeds City Centre. The office building has a wealth of fantastic facilities, this includes; 24 hour access, high-speed WiFi, access to high quality meeting rooms and vibrant break out spaces. There is a variety of office space available, ranging from stylish private offices and co-working spaces. The business centre offers easy flexible agreements to allow your business accommodation to grow with you. The work centre is located within walking distance of excellent public transport connections and great local amenities.
