

Serviced Office Space UK

Gibson House

Huntingdon PE29 6XU

The space is situated just outside of Huntingdon, West Cambridgeshire. Tenants will find transport links aplenty, as well as a host of local amenities. For those who drive, the A1 motorway is close by – allowing for easy access to the road network. The space is also close to several major bus routes, with the Redwings Way and Cinema bus stops close by. Towerfields Leisure Park is just a stone's throw away, giving tenants access to a range of lunchtime and post-work entertainment options – including a cinema, gym and a number of restaurants.

Based in Huntingdon, this innovative hub is the ideal home for any business in the area looking for a first-class workspace with a range of amenities and an ideal environment to network. The space has recently undergone a major refurbishment and is composed of two storeys. Contemporary in its design, the space boasts private offices, coworking space and a range of meeting and breakout rooms. Tenants will have 24 hour access to this space, allowing you to set and adhere to your own working schedule, meaning you can stay late or arrive early if the work dictates. There is also fantastic internet facilities so you can rest assured you will never be offline throughout the working day.
