

Serviced Office Space UK

82E High Street

Wallingford OX10 0BS

Nestled in the heart of the charming market town of Wallingford, the centre is surrounded by lots of local and mainstream food outlets – meaning you will be spoilt for choice during lunchtimes. The centre is also close to bus routes offering services to major cities such as Reading and Oxford – great for those whose business dictates they need to travel regularly. Tenants will also have two train stations in the local area – Cholsey and Didcot Parkway – both offering links to Oxford and London. Oxford Airport is also close by.

Situated in South Oxfordshire, this refurbished 18th century building offers an exciting co-working space for both new and existing businesses. With a mixture of both desk and meeting space, the centre offers diverse working environments and boasts state-of-the-art technology to support your endeavours. The centre was conceived by successful business owners, and thus places your success at the centre of what it does – they have been through each stage of growing a business. With this, the centre offers expert support to help. The centre aims to reflect how the world of work is developing in the services that they offer, this is emphasised with their temporary desks (pods) that offer a quiet solution for concentration, as well as 24hr access and meeting spaces.
