

Serviced Office Space UK

Southampton SO14 2AW

Nestled in the city's historic Old Town, the space occupies an enviable location with easy access to the city centre and its many amenities and transport links. Tenants will also possess awe-inspiring top floor views across the area. Just a stone's throw from the city's high street and West Quay shopping centre, members will be spoilt for choice on a lunchtime and post-work, with a wide range of dining and retail options. In terms of transport, members are close by to major bus routes, a few minutes walk from the city's ferry links to the Isle of Wight, and within 20-minutes of Southampton Central station – served by CrossCountry, GWR, South Western Railway and Southern services.

Set in the heart of Southampton city centre, this coworking space provides an environment built with the startup, the freelancer and the remote worker in mind. Prioritising an atmosphere that will stimulate productivity, the space has a range of work options, with fixed desk, flexidesk and hot desking options. Members can make use of the range of diverse working environment the centre offers, with stylish meeting rooms and phone booths, sociable coffee breakout areas and more traditional workstations. The space benefits from lots of natural light which is twinned with real plants and wooden furniture, aiming to maximise your creativity. The centre provides everything you need to come in and get straight to work, with complimentary refreshments and breakfast, high speed connectivity, secure lockers, bike storage and shower facilities, as well as printing and photocopying facilities.
