

# Serviced Office Space UK

---

## London EC2Y 9AW

This space is in the heart of the city, just one minute away from Moorgate station where you can jump on a train, the underground or a bus, making travelling to and from the office hassle free. With everything you need on your doorstep, from restaurants and bars to health centres and hairdressers, this space in London is the ideal spot to work productively and relax thoroughly. Parking facilities are just one minute away for those commuting to work by car. Barbican Water Gardens are just around the corner for those wanting a break during the day.

The bustle of the financial district can be felt buzzing through this space located in Central London. Fully equipped serviced offices with breathtaking views of the city in this prime location are perfect for anyone working in and around the city. Meeting rooms and private phone booths are available for business meetings and to make private phone calls. Stay hydrated and alert with complementary beverages and snacks. This space has everything you need for your busy working day with High-speed internet and business class printing services. On-site kitchen and break room mean you don't have to leave the office or miss a meal.
