## London EC2M 1RX

The Liverpool Street area of central London is a vibrant business area. The area is associated with financial services business as well as banking although neighbouring areas have blended to give the area a truly metropolitan feel. Improved town planning has introduced cycle lanes and more green areas making pedestrian travel pleasant and safer. A multitude of services surround the high rise office buildings offering occupiers a vast choice of places to eat, drink and relax. As you would expect transport links are excellent and all of the city's major rail terminals are accessible from here. Liverpool Street Station is located just two-minutes away on foot. Buses pass through the area frequently. Taxis are readily available from this location.

Old Broad Street is a location within the heart of The City of London and as such is surrounded by a multitude of other businesses as well as the services and amenities to service occupiers you would expect from a global centre of commerce. This fantastic office space boasts a stunning sleek, modern interior design that will impress clients and colleagues alike. The office space itself is airy, bright, and filled with an abundance of natural light that creates a comfortable working environment. Business essentials such as high-speed WiFi are included as standard. Access to the hosted building entrance is off street in a quiet courtyard area free of traffic making access easy, safe and convenient. This sophisticated office space is the perfect place to grow your business.
