

Serviced Office Space UK

Wrexham LL13 7YT

Edison Court is located on the well-established and prestigious Wrexham Technology Park consisting of a variety of high quality office accommodation. The property is ideally located 600 yards from the A483 dual carriageway Wrexham by-pass. The A483 gives fast access to Chester (15 minutes), North Wales, the Wirral and the motorway network. Ample on-site parking is also available making your commute to and from work an easy one. In addition, this office space is located less than one-mile away from the town centre and railway station. Buses also pass through the area frequently. The nearest bus stop, Medical Institute, is located nine-minutes away on foot.

Flexible office solutions are available at this distraction free co-working environment! Every detail has been considered so that you can get to work fuss free. All you need to do is grab a desk and get working! This location offers casual breakout areas with tea and coffee facilities, perfect for networking or for taking time out with colleagues during a busy working day. A fantastic place to host team meetings, presentations, interviews, or networking events! Modern meeting rooms are equipped with projectors or whiteboards, and all meeting rooms benefit from WiFi, and beverages to keep you caffeinated and hydrated throughout your meeting!
