

Serviced Office Space UK

London EC2M 7LA

Strategically situated in Finsbury, a short four-minute walk away from booth Moorgate and Liverpool Street Station. Excellent public transport links make your commute to and from work an easy one. Buses also pass through the area frequently. You can hop on the 133 and N133 bus services just minutes away at Liverpool Street Station. This office space is also surrounded by a sea of shops, restaurants, bars, and other useful amenities. The Red Lion pub is located on the doorstep of the building, perfect for a pint with colleagues after work.

This modern office space is situated in a stunning period building which will impress both clients and colleagues alike. Inside this impressive building you can find a mix of open plan office space or flexible office solutions. This space has been carefully designed to boost creativity and productivity. This space is filled with natural light, enhancing tenants cognitive ability. Modern meeting rooms can be booked at your convenience. Showering facilities are available for those walking, cycling, or running to work. All business essentials are, of course, included as standard. Members have access to high-speed internet, a VOIP system, and 24/7 building access & security.
