

Serviced Office Space UK

Southampton SO15 2BH

Overlooking Watts Park and moments from the shops of London Road and Bedford Place, this office space is in the heart of Southampton. Southampton Central Railway Station is situated less than five minutes away on foot and West Quay is just a few minutes further. The M3 and M27 motorways are also within easy reach. The nearest car park, West Park MSCP, is located just three minutes away. A sea of restaurants and bars are also located within walking distance of the office - perfect for team outings!

Defined character and style for the businesses in the heart of the city. This location blends period character and sophistication with modern offices and excellent facilities creating an enviable home for a business. This space is carefully designed to meet every business need so that clients can get to work from the first day. At this location members have access to a number of useful and meaningful amenities. Upon entrance, clients will be greeted by friendly staff at a beautifully refurbished reception area. Members also have access to break-out space and a business lounge. This location supports green transport so clients will also have access to secure cycle storage and showering facilities.
